

# Money Saving Tips

## Average Wedding Costs in NC

According to The Knot, here is a breakdown of the AVERAGE wedding costs:

AVERAGE	OUR PACKAGES
Venue \$12,800	\$3500-\$4500
DJ \$1700	\$600
Photographer \$2900	\$600-\$1600
Event Planner \$2100	Included w/Venue
Event Rentals \$2000	\$300-\$700
Florist \$2800	\$600-\$1600
Catering \$8500	\$1050-3600
Cake \$540	\$250-400
<b>Totaling \$33,340</b>	<b>\$8000-\$16000</b>

All Inclusive packages already save you a lot of \$\$, but there are some ways to save money you want a fantastic wedding on a budget.

## Lower your guest count

Catering is a large part of the budget. Having 100 guests to feed vs 150 makes a big difference

## Book a non peak SEASON

We have certain dates that just don't book as well. These are dates where you can get an **additional \$500 off**. This is on top of any other discount. Our Non peak weekends are

*March & April Fridays & Sundays*

*July Friday, Saturday or Sundays*

*August Fridays & Sundays*

*Weekend dates past November 15th*

## Pay in Cash

We offer a **5% discount** off the total if you make your payments in cash. That case save HUNDREDS simply by taking time to go by the bank rather than electronically paying.

## Book a non peak day

You can save **\$1,000** by booking a Friday or Sunday vs. a Saturday, and you can save **\$2500** by booking a weekday.

## Combine and save more!

ALL of these discounts can be combined. If you take a normal Saturday rate of \$8500 (Bronze Package). and you decided to pick a *Sunday* in March, April, July, or August, then on top of that pay cash, you could save \$1850, and still have a beautiful weekend wedding!
